The moving and dramatic factual show, **Local Heroes** follows the story of a city's public defenders - from firefighters to paramedics, policemen to search and rescue. The first season, **Local Heroes: Through the Fire** follows a city's firefighters as they battle through the obstacles of working in one of the most dangerous jobs - from a storm-torn rooftop to the heat of a burning building.

To save people's lives, they will prepare for the worst and be confronted with situations that are almost impossible to bear.

HOW IT WORKS:

- In each season we follow a team of heroes, getting to understand their demanding jobs in a never-seen-before way.
- From the initial emergency call to the conclusion of the incident, we follow our heroes as they deal with every obstacle.
- Each episode takes you through the journey of a "day in a life of" our heroes, with 8-12 mini-stories covered.
- In every episode we highlight 2 heroes, as they deal with each incident and get to know their personal links to these events.

WHEN OTHERS HIDE, THEY RUSH OUT
