- ★ **80% higher** than average channel ratings in Israel!
- ★ **Doubling network's share** in the timeslot in Brazil!
- ★ Over 700 episodes aired in Hungary, **tripling** channel's ratings!
- ★ **Doubled** channel's ratings in China!
- ★ Over 1,100 episodes aired and more than **€100K** profit from **ancillary rights** in Spain!

HOW IT WORKS:

- One contestant competes against 10 opponents in fast-paced head-to-head trivia battles until he is the last one standing.
- The contestant must pick off opponents one by one, before moving on to the next challenger.
- They have 30 seconds to answer each question correctly, or they will be dropped straight through the floor of the studio!
- The last one left Still Standing will go home with \$1 million!

AVAILABLE BOTH AS FORMAT AND READY-MADE
