If you could travel back in time to save your favorite rock music icon, would you do it?

Danny Hollywood is the most popular rock star in history. In 1968, on the night before his wedding, he mysteriously dies, leaving behind a nation of broken-hearted fans, a legacy of unforgettable music, and an enduring mystery.

Skip forward to today - 2011. Daniella, a young filmmaker, embarks on a journey to solve the mystery of Danny's death when she is swept back in time to the months leading up to Danny's death. Together with Danny and his band, they must work to prevent his death before it happens - again.

On the journey, Daniella and her friends' lives are turned upside down. They leave behind lovers, careers, and families, but discover a whole new life in a world before they were born. Attraction sparks between Danny and Daniella, creating a complicated love story between Danny's fiancée and Daniella's boyfriend from the present. In the months leading up to Danny's historical death, Daniella unravels mystery after mystery, revealing that the band's gorgeous ladies' man is actually gay, and that Danny's fiancée is involved in a deadly plot.

A fun and entertaining drama series filled with music, performances, and the swinging spirit of the 60s, Danny Hollywood will delight everyone who ever fell in love with rock music.
